PERSONALISED KIT

Bushfire kit [1x per person]

- Heavy duty backpack x 1
front pouch for excess gear or helmet, includes reflective tape on front and sides, bio-form padded harness system, utility hip belt and sternum strap for increased stability, Velcro ID attachment points, side mounted radio pocket.
- Respiratory Masks x 2
P2 Respirator mask, Carbon Activated with exhalation valve and meets AS/NZS 1716
- Safety Fire Goggles x 1
High temperature clear lens, ALS anti-fog/anti-scratch coating both sides, high temperature head strap and TPV high temperature-approved frame. Super lightweight and designed to fit under helmets. Not intended to provide protection against sun glare.
- Firefighting Gloves x 1 pair
Premium Cowhide leather, Kevlar wrist rib, FR reflective strip on back.
- Thermaguard® Supertherm® Lite Fire Blanket, in Silver Compact Vac-package x 1
Purpose-designed inherently antibacterial, antiviral and fire-retardant construction offers far greater protection than all known wool and traditional treated materials; both faces are equally effective. Vacuum packaged for ultimate compactness and to ensure blanket is in pristine, unused condition. Fire blanket is adequately sized at 2m x 1.8m and covers 1 person in the event of a bushfire.
